

Love 2 Dance Newsletter

September 2010,

Welcome back!

I hope everyone had a great summer and are ready to learn new routines and take part in fun events and shows as well as working towards our Christmas show.

I am so proud of everyone who took part in our summer show, you were all fantastic and worked really hard. I am sure all of your family and friends were impressed at all your routines.

Thanks to all the family and friends who came out to support the fundraiser as we only put on two shows each year, the money raised from these shows helps to maintain and run love 2 dance with venue hire, teachers to run various workshops, equipment, make up artists, costumes for shows, trophies and medals.
